

This is to certify that  
**KVA Construction Ltd**

Unit 25, Youngs Industrial Estate, Reading, RG7 4PW, Berkshire

Has been assessed  
by Tom Ellson for IT Governance Ltd  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet-facing infrastructure for KVA Construction Ltd. Including router firewall, end-user devices and hosted systems located at the United Kingdom

Certification date: October 22nd, 2018

Recommended re-assessment date: **October 21st, 2019**

Certificate no.: 4739874918481455

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
